

Dear Children and Parents,

What a year! This half term we will continue to build on skills of independence, sharing with others, being creative, using new language and learning through play. Transition to Reception classes both here and at new schools will be part of our learning this month to ensure children are confident and ready for the new year ahead.

We will have fun with our topic: Splish, Splash, Splosh and make the most of getting outside over the next few weeks.

The children will also have the opportunity to come on their first school trip which will be a lovely way to come together and celebrate the learning journey they have shared together this year.

Thank you for your support.

Miss Baigent,

Class Teacher.
