

Year 4 School Closure Home learning

Work for Monday 23rd March – Friday 3rd April

Please help your child to complete the following activities whilst the school is closed.

Reading:

- Daily reading of school books and reading challenge – if you finish, can you find a new author to recommend?
- Our class book is 'The boy at the back of the class,' by Onjali Q. Rauf and it would be great if everyone got their own copy and carried on reading.
- Purple Mash 2do – Phase 5 phonics. (Set by teacher.)

Writing

- Purple Mash 2do – grammar games – word combos (set by teacher.)
- Purple Mash 2do – writing information texts – all about organs (set by teacher).
- Keep a diary of what you do whilst off school – you could choose to write it in the style Tom Gates or Jeff Kinney (Diary of a wimpy kid) with illustrations.

Maths

- Mathletics – times tables exercises
- Rockstars – daily
- Purple Mash 2do – multiplication and fractions (set by teacher).

Wider Curriculum

Science

- Purple Mash 2do – healthy teeth (set by teacher.)
- How does digestion work? – draw a picture or make a model of the human digestive system

Geography/History

- Purple Mash 2do – countries and places: Cardiff and Wales (set by teacher.)
- Purple Mash 2do – Maps: UK countries (set by teacher.)

R.E

- Purple Mash 2do – Easter Story (set by teacher.)

Our topic this half term is South Wales - choose a project to complete:

Make your own map of the United Kingdom and outline each of the countries. Find the capital of Wales and label it.

How is coal made? Create a cartoon with captions to show what happens at each stage.

You are the Welsh tourist board. Design a leaflet to encourage people to visit Wales on holiday. What will you need to include? Think about places to visit and famous landmarks.

Find a beautiful picture of a Welsh scene and recreate it using the medium of your choice. Examples you could consider: using paint, collage, charcoal, or making a model.
